A SUMMER TO ENHANCE YOUR SKILLS

This summer, ISIT is offering a program for international students in one of its flagship specializations, intercultural management.

Come and discover Paris in an intercultural context and seize the opportunity to develop your academic and language skills in an international environment.

ISIT, the *Grande Ecole* of intercultural management, offers you the opportunity to spend 3 weeks and :

- Interact with students from different countries.
- Improve your French language skills.
- Understand the key role of intercultural management in businesses.

This program consists of:

- **14 hours of intercultural management**
- **14 hours of French culture and civilization**
- **14 hours of French as a foreign language**

The program also includes 3 cultural and business visits, 1 per week.

A certificate of attendance will be handed out upon completion of the course.

In summary:

- **42 hours of classes.**
- **3 cultural or corporate visits.**
- **Opening and closing ceremonies.**
- **Language of instruction, excluding FLE courses: English.**
